Terms of use

The Company with the corporate name “GENEKOR PRIVATE DIAGNOSTIC LABORATORY MEDICAL S.A.” and the distinctive title “GENEKOR I.A.E.” (hereinafter the “Company”), which is seated at 52 Spaton Avenue, Gerakas, with the Tax Identification Number: 998278150, created the present website <https://genekor.oncloud.gr> (hereinafter the “portal”), which offers its services under the following terms of use, which the Doctors are invited to read carefully and to proceed to the use of the service only if they accept these fully. The browsing and use entails the explicit acceptance of these terms.

The portal provides, exclusively and solely to Doctors a rich collection of services, including the access to documents of results in electronic form. The already existing as well as any new services that shall be included in the portal are subject to the present terms of use, unless the contrary is explicitly provided for.

The Doctor bears the liability for the access to the portal’s services and the relative access may require the payment of fees to third parties (e.g. providers of internet services, charge for the time spent on the internet). The Doctor bears the exclusive liability for the payment of the relative fees. Moreover, the Doctor is exclusively responsible for the Doctor’s personal equipment with the necessary technological means that allow the Doctor to have access to the portal’s services.

The portal reserves the right to modify or / and to interrupt temporarily for maintenance reasons part of its services or all its services with or without notice to the Doctors.

Registration and access

If a Doctor wishes to register to the portal’s service, the Doctor agrees to: a) provide true, accurate, valid and complete information with respect to the data requested from the Doctor by the portal in the relative application for access to its contents / services and b) maintain and diligently update the Doctor’s registration data so that they are maintained true, accurate, valid, updated and complete.

The application must contain the first name, last name, specialty, establishment, address, city, postal code, country, e-mail, desirable username and contact numbers. The Physician, by the submission of the above application, fully accepts the present terms.

By submitting the above application, the Physician receives the confirmation of the Physician's personal password immediately, only in the event that it is already registered in the Company's system. Otherwise, the portal account shall be activated after the first sample receipt by the Company.

The portal's registered Physicians remain exclusively liable for all the actions conducted under the private password, the username and their user account in general.

The Physicians agree to immediately notify the portal for any unauthorized use of their account and any realized or / and potential security breach.

Moreover, the Physicians are exclusively liable for the careful use of their account and their typical logout from their account at the end of every use. The portal is not liable for any damage or loss that may result from the incorrect use of every member's account due to non-compliance with everything mentioned above in the present terms of use.

Privacy Notice

The Company is considered to be the Data Controller in the processing of the personal data of the Physicians who wish to register in the Genekor online results portal. The processing of the personal data submitted voluntarily by the Physicians who want to register to the portal is carried out for the sole purpose of creating a registration account and allowing them to access the features provided by the online results portal service. The Company will retain the declared personal data, always ensuring their outmost security, for as long as the Physicians have an account in the portal or until a Physician withdraws his/her consent and then will delete them according to the company data retention practices always in compliance with any applicable legislation or regulation that might require a longer retention period. The personal data will not be transferred to any third party and might only be accessed by the Company's data processor responsible for ensuring the technical operation of the online portal.

The data subjects may exercise their rights entitled to them by virtue of the General Data Protection Regulation and the Greek L. 4624/2019 including but not limited to right of access, right to rectify their personal information, right to withdraw their consent at any time. In case of consent

withdrawal, the lawfulness of the processing based on such consent before its withdrawal shall not be affected but the Physicians will no longer be able to use the online results portal. Finally, all data subjects have the right to lodge a complaint before the competent Hellenic Data Protection Authority (1-3, Kifisias avenue, 115 23, Athens, tel: 2106475600, website for complaints www.dpa.gr.)

Further information regarding the processing of the personal data by the Company are available at any time in the General Privacy Policy of the Company in the website www.genekor.com

I agree with the above terms and I consent to the processing of my personal data as described above
